the Cookie Jar

A large department store in Stockholm, Sweden, recently went all-out for Dennis by featuring him in displays throughout the store.

The sign above the entrance to the store reads: "Welcome to Dennis-Land." Through the window at the right of the entrance is the store's record department, with many drawings of Dennis featuring the Dennis records.

A young Swedish boy looks admiringly at his pal, Dennis, in the store's toy department. It looks as if the store has every Dennis toy ever made. The store even had special Dennis balloons made for this occasion, and gave them to all the youngsters visiting the Dennis departments.

The Dennis cartoons are very popular in Stockholm, appearing in four publications at once in that city.

For more pictures of "Dennis-Land", see the inside back cover of this book.

the Cookie Jar

Another department in the store in Stockholm, Sweden, that went all-out for Dennis.

The large drawings hanging from the ceiling are made of pages from the Dennis comic book, greatly enlarged, and in color. The comic book you are reading now will appear later in Sweden.

Part of "Dennis-Land" in this store was a Dennis Ranch, with a live pony and other animals. Looks like the Swedish youngsters like cowboys just as much as we do!
